## FROM THE COMMODORE

As I pen these few words, the last keelboat race is underway (single handed) as is the last of the 3<sup>rd</sup> Sunday Series – our summer season is virtually over, and I'm sure our intrepid dinghy sailors are looking forward to the character forming autumn and winter series!

I had the pleasure of attending the last day of Cadet Sailing where 30 odd boats (Oppies, Toppers, Picos, Fevas, Mirrors and a Wayfarer) were crewed for a fun event organised by Henry Merewether and his support team. This was followed by a BBQ and Prize Giving with John Mursell putting on a performance on his winged Moth! All in all, a very impressive event. Unfortunately, we had to say goodbye Henry as work is taking him away from Weymouth and I would like to thank him for his efforts and congratulate him on the vibrant team he has created.

The season of Dinner Dance and AGM is fast approaching, and would like to see as many of you as possible at both events. The Dinner, Dance and Prize giving will be at the Prince Regent again this year (2<sup>nd</sup> November) with the AGM three weeks later on the 23<sup>rd</sup> of November.

There is also the important evening at Weymouth College on Friday 12<sup>th</sup> October concerning your club and the Olympics in 2012. Please read the special item in this newsletter.

For those who can, enjoy your autumn sailing.

**Paul Clark**

## **AGM Friday 23rd November 2006 AT CASTLE COVE SAILING CLUB**

Papers will be posted on approximately 27th October. We hope to have them available in the Club over the preceding weekend. Please save postage by collecting them Please note - only 1 set of papers will be sent to each postal address

### **AGM preparation**

Managing the meeting: With the increase in membership, if everyone decided to raise something new at the AGM the meeting would be unmanageable and more importantly, members must know in advance if controversial issues are to be discussed. Please note Rule 12.2 - business you wish to raise at the AGM must be notified to the Hon Sec before **26 OCTOBER 2006** (which is much less notification than the RYA recommends) ie do **NOT** wait for the AGM papers to arrive. The standard items are: Finance, election of General Committee members, rules changes and fees for forthcoming season and reports from the sub-committees. I can tell you whether the point you want put on AOB is new or likely to be raised within other discussions, so please do talk to me!

Also if you have particular questions arising from the documents (once you do receive them) it would be most helpful if you let me, or another committee member know in advance.

Please don't take this as an intention to limit the normal debate on the night.

## 2012 Planning Committee Notice

We shall be holding a special meeting for all Club Members at **7.30pm at Weymouth College on Friday 12 October 2007.**

This is a very important meeting at which the 2012 Planning Committee hope to derive the feeling of Club Members as to the steps we should take in further planning how the club should react to the 'once in a life-time' opportunity of having this massive event on our doorstep.

The Olympics are expected to cause significant disruption to our activities not only in 2012, but also in 2010 and 2011, and we need to be able to start directing our attention as to how we best gain from the pain that we shall endure during those periods. It is therefore critical that we get best possible attendance from our members whether they be racers or cruisers, dinghy sailors or keelboat sailors.

Because we hope for a full attendance, we have hired the canteen at Weymouth College for the evening: please come along – we intend to keep the evening reasonably informal while trying to ensure we understand members attitudes to how we should proceed on the club's behalf.

There are big decisions to make and we also have a lot of information to impart to you from our team about the scale of the events and how it will affect all of us.

Look forward to seeing you there.

**Rick Pegrum**  
**Chairman**

*PS If you really can't make it and still want to be involved, please contact Sara Lloyd and we will try and get a form to you on which you can indicate your views on the matter. But note that we are looking for consensus on the club's approach rather than a formal vote on the subjects that we shall be introducing on the night, so this will not be a ballot paper!*

## Trophies

Another year has gone by and its time for all those sailors, both the skilled and the fortunate, that had trophies awarded to them last year, to return them for preparation for this year's presentation.

If you have a trophy (or trophies), I will be at the club for the first two Wednesdays in September and will be able to collect them from you. If there are any difficulties with this I can be contacted on 07816-380128 or by e-mail ([john.elliott@dsl.pipex.com](mailto:john.elliott@dsl.pipex.com)).

## NEXT NEWSLETTER

The deadline for contributions for the next Newsletter is the **24th of October**. Read this Newsletter on the website [www.ccsc.org.uk](http://www.ccsc.org.uk) - click on Social, then Club Newsletters. You will see it all in full glorious colour and the photographs are much more impressive than in the copy sent through the post.

**PLEASE GIVE ME YOUR E-MAIL ADDRESS** and I can send you a link to the Newsletter as soon as it is out (instead of waiting for printing and the post). **E-MAILS ARE SENT AS BLIND COPIES SO YOUR E-MAIL ADDRESS WILL NOT BE SEEN BY ANY OTHER RECIPIENTS.** *It usually only takes a couple of minutes to download.* The fewer paper copies we send out the more money we can save for the Club – you will be aware from the accounts that it is expensive to produce. And, of course, if you read it on screen, it saves trees.
