Castle Cove SC

From the Commodore

I start this month's address with an apology, especially to those members who receive the newsletter by post, for the delays in its publication. It's entirely my fault for not getting my piece done on time – I must do better and adhere to the cut-off date of 25th of the month.

The Olympics are coming and we are now starting the detailed planning of how we are going to get the most enjoyment from the event. We are asking for your advice, ideas and your plans. Please feedback to us by talking to your Class Captains, Members Representatives, Committee or even me (commodore@ccsc.org.uk).

We want to create the opportunity for all members to come to the club to share the experience. We also realise many of us would like to invite Mums, Dads, Sons, Daughters, Aunts, Uncles, Nephews, Nieces and friends etc. This may have to be limited in some way as the planning and fire permissions may restrict the numbers on site; if we can smooth out the demand it would be better than trying to cope with 1000 as an unexpected peak. We are in a prime location and what greater pleasure than to be able to share that with others in a managed way. If we don't manage the demand and are swamped (or left empty) that will create a disappointing memory. (I don't want to remember the Olympics at the club for queuing to use the toilet!)

There is also now the real possibility of sharing the site with a corporate hospitality provider. We are in discussions with a company who represents 11 National Organising Committees and a number of large sponsoring companies. They have come to us with a proposal whereby we allow them use of the clubhouse, balcony and garden in return for providing us with a marquee with galley & bar, large screen live TV feed, and a substantial cash payment. On one hand we can view their offer as us being pushed out of our own club, but on the other their presence may well enhance our enjoyment, give us just as good facilities, and give us the money for further club improvements. Since their plans are to finish 3 days before the Olympic closing ceremony, we would have full use of the whole site during those last three days. Perhaps we could hold our own festival of sailing and organise a closing ceremony dinner during that period?

continued...

The final interesting piece of Olympic related news is that we may be able to run cadet sailing inside the moorings through-out the fortnight even when racing is going on and expect normal sailing at other times.

The work on the extension will commence on Monday 10th of October from which time there will be no access to the sail store or boat store until the work completes. If you have anything in these stores that you will need between now and January 2012, a secure container has been located near the pier gate. Please move anything you need before October 10th. Access to the changing rooms will be possible at weekends only.

... and finally a reminder that this year's Dinner Dance will include the annual prize giving on 11/11/11 at the Weymouth Pavilion. Great effort has been made to make it more affordable with tickets this year only £28.50 – please come along!

Richard White

From the Sailing Secretary

Well Autumn is apparently upon us.... but someone has been kind and turned the Sun back on with glorious conditions to make the Keel boat lift out go smoothly and give everyone a weekend of great sailing and relaxing, it is October isn't it?

At the end of this month we have Z-Class AGM on the 26th October and Dinghy Class AGM on 2nd of November at 7.30pm. If you would like a say in the sailing calendar next year this is your chance.

And the Dinner Dance looks set to be a great occasion this year on the 11th November, with the return of a full prize giving held in a new way. Check out the details later in the newsletter.

We will be putting together the final details of the new Australian Summer Series (January – March) this month so any thoughts on how you would like this series run let your class reps know.

The Sailing Committee would like nominations for the Outside Performance Keelboat and Dinghy Trophies – these are awarded for a performance by a club member in an outside event, for examples: Nationals, Ranker, Round the Island, RORC racing. If you know someone who deserves one of these trophies please email me with their details and what they have done (helen@rollyscakes.co.uk)

Congratulations to Ross McFarlane who won the Topper South West Zone Championships – a great achievement.

We have had a few club series finish in September and a few other events, congratulations to the following and any crew's names I don't know!

Results:

Novice Race: Tristen Bracegirdle – RS Tera

Keelboat Single Handed Race: Robin Macfie – The Hunter

Keelboat Double Handed Race: Mick Carter - Manana

Basso Cup - Keelboats: Gary and Morag Warr – Echo

Addresses

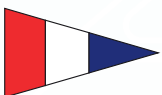

We are rapidly getting to that time of year where the notice of the Annual Meeting gets sent out and, before you know it, the annual renewal forms as well.

Each year we get a number of members who claim that information did not reach them. Often this is because they have either moved house, changed email or telephone number and not told the club - so if you have changed any of these key elements please contact the Membership Secretary, Trevor Bevins, as soon as possible so that we can update our records.

Trevor can be reached via email – trevor.bevins@virgin.net or by telephone 01305 268457

Thanks

Trevor Bevins

Keel Boat Lift-Out

Those who turned up for the lift-out at the crack of dawn (and there were many of you that did) were rewarded by three of the most beautiful sun rises of the whole year. Worth getting up early just to see that!

The weather was indeed very kind to us both in terms of wind strength and tide height although there were times when we thought the water would never reach the pier let alone float boats. Once in however, the spring tide held up well each day despite the high pressure, allowing all the deep keel boats to come ashore.

Over the two and a half day period commencing Thursday 29th September we managed to safely lift out 56 boats storing 53 of them in the boat park.

Many thanks to everybody who took part in the lift out from the boatmen rushing around getting people to their boats (and having to tow some of them in) to the work involved on the pier getting them ready to lift and the team that placed them carefully in their cradles. There was a lot of hard strenuous work carried out by the people involved, especially in what were probably the hottest days of the year.

Of course none of this could have happened if it had not been for the continuous supply of bacon rolls and mugs of tea supplied by the lovely ladies in the pier café, the place to be seen at this year, from where boat's bottoms could be admired and marine weed growth compared as they were lifted out.

WPNSA Laying Up Supper

Dear All

Please can you pass this on to your members. We are having our laying up supper on 22nd October 2011 at WPNSA. The evening is from 19.00 to 23.00, £10 per head for a one course supper. I look forward to seeing everyone for a entertaining evening of easy dances for all. The excellent Casterbridge band will be providing the music as in previous years, so please come and join in the fun. Please can you ask that replies are sent direct to me, payment on the night, cash or cheque.

Weymouth Olympic Village

The London Organising Committee for the Olympic Games (LOCOG) has been established as the organisation that will plan and stage the 2012 Olympic Games and Paralympic Games.

The Villages department is responsible for delivering operational villages for the Olympic and Paralympic Games and for planning and operating them effectively and efficiently at Games-time. The overall aim of the Villages is to provide comfortable living and leisure spaces for its residents in a secure environment.

During the Games period the Sailing Village will comprise 77 Town Houses accommodating approximately 630 Athletes and Officials.

We have now commenced recruitment for the Sailing Village in Weymouth. We have a number of roles to start from April 2012 onwards and we are looking for experience across areas such as customer service, hospitality, radio control and venue operations and management. We are looking for enthusiastic, motivated, hard working and flexible individuals to help us to make this the best Village ever. This is a once in a lifetime opportunity to be part of the greatest show on earth!

For more information on these exciting opportunities, please visit the website using the link below and typing 'WEV' into the search field for Sailing Village vacancies:<https://locogrecruitment.london2012.com/jobs/main>

This is a once in a lifetime opportunity to be part of the greatest show on earth on earth!

J24 European Championships Howth, Ireland

The club was represented on two boats that took part in the J24 European championship, hosted by Howth Yacht Club, situated some 8mls outside Dublin.

Bob Turner went with club members Adam Bowers(tactics), Nathan Batchelor(helm) and Jonny Pegrum(bow). Ian Brown from ONE-SAIL (ex Quantum) was in cockpit.

I crewed for Stuart Jardine, from Lymington, with a mixed crew which included a young(compared to the rest of us)swedish, blonde, female on foredeck and Rob Lark from HYDE SAILS doing tactics.

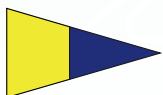

The first two days of measuring the 43 boats took place in perfect weather, sun and 10-15 kts breeze. Guess what, practice race on Sunday and Day One were cancelled due to 30 gusting 50kt winds. Bob and crew used the time wisely by visiting the GUINNESS FACTORY in Dublin, we rested our secret weapon(STUART) in our nearby BandB.

Day 2 and everyone, from the nine different countries entered was suffering cabin fever so were relieved to be sent out for an early 1000 start, the wind having abated to 20+ kts. In that breeze the longer a team has been together is often reflected in the results and so it proved with Bob and team taking first place with the wind increasing all the time. With damage to a couple of boats and spinnakers torn all around, including a brand new one on Ian Southwarths boat, the race officer David Lovegrove decided to abandon racing once more, much to that boats relief as we are only allowed to carry one spinnaker, a rule which may be changed in future.

That left us with 9 races to complete the regatta in 2 days, given near perfect weather we managed it with an early start each day and just 30 mins to spare before cut off time on day 4.

Unfortunately Nathan was black flagged one race and had to count a 22 while we on Stouche were OCS one race and had to count a 20th. That meant Bob finished 3rd with us 5th, only 3 points behind. The best German team ROTOMAN pipped us by winning the last race.

All in all a great week and a pleasure for me to sail with Stuart Jardine in his last regatta as a J24 owner, we left the boat in Howth with its new Irish owners. They have nothing to blame if they dont do

well with STOUCHE, after all, we did win three of the ten races!!

Laser Nationals

On the 27th of August to the 2nd of September I took part in the laser nationals at the Weymouth and Portland National Sailing Academy and I was all ready for this one!

On day one I had 2 good results with a 18 and a 35. On day 2 I had a 34 and an 11th which was brilliant! On day 3 there was no wind so racing was canned. On day 4 I had the best day of the week posting a 9,16 and a 9. This was great as this moved me up to 27th overall and I was top 20 brit and 3rd British youth! But it was not to be....

Day 5 had the name of big Thursday and as you can guess it was very windy with 3 races. This proved to be too much for me and I dropped 13 places with a 45, 49 and a DNC. The last day was poor with a mid 50s result leaving me 42nd overall out of 148 entries and I was 23rd brit.

Next event is a qualifier for the worlds and youth squad

'Open meeting' dates announced for public consultation on Studland to Portland possible Marine Special Area of Conservation.

Natural England, the Government's statutory nature conservation adviser, is undertaking a formal public consultation on the Studland to Portland possible Special Area of Conservation (pSAC). The consultation started on Thursday 1st September and will run until Thursday 24th November 2011.

Two open meetings have been arranged so that members of the public can study maps in detail, and meet staff from Natural England who will be on hand to discuss the boundary, the necessity of the site and the evidence behind it. Tea and coffee will be available at both open meetings.

First open meeting: Thursday 13th October 2011

Weymouth Pavilion, The Sundeck Room, The Esplanade, Weymouth, Dorset DT4 8ED

Doors are open between midday and 8pm.

Second open meeting: Tuesday 1st November 2011

Swanage Rectory Classroom, Church Hill, Swanage, BH19 1HU

Doors are open between midday and 8pm. Limited parking at the church.

The purpose of this consultation is to seek the views of all interested parties on the scientific case for designation of this possible SAC; and to assess likely economic, environmental and social impacts. Information, such as the consultation guidance document and maps are on Natural England's web site:

<http://www.naturalengland.org.uk/ourwork/consultations/studlandportlandpsac.aspx>

Lost wetsuit and boots

Hello everyone,

Unfortunately after the last Cadets evening one of our Cadets forgot to pick up his wetsuit and boots. Has anyone seen them or picked them up for by mistake or for safe keeping? If you know anything please could you let me know and we can re unite them with their owner.

Thank you.

A friend of ours has a mounted and framed copy of a chart of Poole Harbour, which he no longer needs. He tells us that the frame alone is worth £50. Does anyone fancy a framed copy of Poole Harbour chart and is willing to make an offer for it? Please let Roger Chapman know.
